Sultry September

Ok so Sultry September has rolled in with days that start with sun-kissed lazy mornings and end in sizzling sunsets. And as the Hurricane Season passes by we say bye to Gustav who popped in for a brief visit bringing with him a lot of wind and rain. As usual at both Hedonism Resorts by mid-afternoon the following day not a sign of his overnight visit was present. Sparkling beaches and tranquil waters set the pace for what proved to be a wonderful weekend.

Hedonism II is more than ready for action after the brief visit from Gustav

Going, Going, Got It...The Gold That Is!

During the month of August our Jamaican Athletes created history and wowed the world with their magnificent performance at the 29th Olympic in Beijing, China. When the dust on the tracks had settled they stood tall and made Jamaica proud with a total of eleven (11) medals - 6 gold medals, 3 silver medals and 2 Bronze medals. Hedonism Resorts guests and staff all shared in this moment as records were broken and set and History was written.

And as such we would like to take the time to congratulate Usain Bolt – our BOLT OF LIGHTENING - who broke the world record of the 100m and 200m, now holding a time record of 9.69sec in the 100m and 19.30 sec in the 200m. Our TRACK QUEENS - Melaine Walker, Shelly-Ann Frazer, Kerron Stewart and Sherone Simpson who walked away with the gold medal at a time record of 10.98 sec. Our TRACK KINGS - Nester Carter, Michael Frater, Usain Bolt, and Asafa Powell who sprinted into the gold arena in the Mens 4X100 relay. Congratulations to Sherika Williams, Sherefa Lloyd, Rose Marie Whyte and Novelene Williams who brought home the Bronze, Veronica Campbell Brown and Kerron Stewart who proudly took home the gold at 21.74 sec.

SuperClubs All Inclusive Resorts Congratulates Jamaican Olympic Medalists With Complimentary Stay!

KINGSTON, JAMAICA, Aug 18, 2008 (MARKET WIRE via COMTEX) -- The Jamaican based SuperClubs family of all inclusive resorts announced its congratulations to Jamaica's Olympic medalists by offering a complimentary one week stay for two at any of the SuperClubs resorts. Jamaica swept the medals Sunday evening in the women's 100 meter race just a day after fellow Jamaican Usain Bolt broke the world record in the men's 100 meter, becoming the fastest man on the planet.

"We're just exploding with pride and joy at our athletes' phenomenal performance so far, and we want to show how much it means to us here in Jamaica," said Zein Issa, SuperClubs VP Marketing. [Click here for more](#)

TIM & MISH TAKES US DEEP INSIDE THE DOME!

There's simply no place in the world like Hedonism III! The best kept secret of a breathtaking island where a cornucopia of fantasies and realities mushroom into one gigantic, whirlwind of an experience. But just in case you're still up in the air over what to expect on your Hedonism II vacation...Three time returning residents ahm..guests, Timothy and Michelle Vanderhoef from Washington State (Pacific Northwest) take us deep inside the pleasure dome and rural Jamaica for a look at life on the edge.....

Back home Tim is a reputable roofer and Mish mentors special education students within the high school system. Outside of their hectic work schedules they team up to keep their five kids (teenagers ranging from age 14-19) in check. But when they're not on the daily grind back in the

US then their shooting the breeze at Hedo 2.

Moments with the Man!

Mish shares a moment with Rasta Ralphie a legendary Hedo 2 Persona and Roots Reggae Singer - on the Catamaran. For the past four year's Tim & Mish have been waking up to Rasta Ralphie's music every morning. As for the Catamaran Cruise they love it so much that they did it twice this time around!

The feel of the wind whipping your hair into a tangled frenzy, an occasional spray as your boat captain rips through the waves with the bright Jamaican sunshine melting your tension away. Talk about the high life out on the high seas!

So what's so special about Hedonism II? Tim and Mish participate in all naughty Hedo 2 Shenanigans...like dressing in fetish and dancing on top of the Piano.

They claim it's "the long lasting friendships that have developed out of our Trips here and of course the many great staff members". Staff members like Munga and British from Entertainment, Augustus from Water Sports and Cheryl from Housekeeping are some of their favorite peeps.

The AWOL Group was right in there and let's just say the energy level went up more than a few notches. Group Leaders, Rick & Ivy, will tell you that they are a bunch of fun loving, like minded adults who meet once a year at Hedo3 in Jamaica. People in our group come from all walks of life; Homemakers, business professionals, teachers, firefighters, police officers, doctors, lawyers, lifestylers, non-lifestylers, single or married - we exclude no one. AWOL...Another Week Of Lunacy already has their info out for their 2009 trip. Check it out! You won't be disappointed!

What better way to enjoy Jamaica than right during one of the major local holidays. Well One Love Jamaica Adventures did just that and so much more. Their excursions off property were a

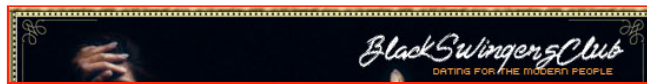

Love centered adventures are just what one of them needs. Their celebration on property was a "You had to be there to believe it" kind of experience. This was the kind of group that if you thought that you would leave Club Hurricane at 2am they were just getting ready to party. They'll be back and we can't wait for that party.

So picture this, 12 sexy bikini models in scuba gear, beautiful and clear Jamaican waters, and you diving right there with them...Okay! Wake up! Yep you missed it! The TeaseUm.com Bikini Models in yet another fabulous photo shoot at Hedonism 3 and trust me these girls were hot.

Ok TeaseUm swimwear is definitely a show stopper on any woman but these girls had heads turning all day and all night and yes they hung out and partied right alongside the rest of the guests. Sorry you missed it?

Well Check out their website www.teaseumbikini.com and come join the ladies for their next trip from October 25th to November 1st 2008.

BlackSwingersClub.com was in the House and I do mean they were in the House. With sexy Adult Porn Star Kitten alongside Rock The Icon this group had a "Raise the Roof and Drop it like it's Hot" party all week long!

Adult Entertainer Kitten has officially called it quits and to celebrate her going away she dropped by Hedonism III to celebrate her career with friends and fans.

A veteran of over 100 movies Kitten has worked with all the big names in the business, from Bryon Long to Mark Davis. She thrilled her fans with a private pole dancing showcase and signed autographed DVD's and T-Shirts alongside Rock the Icon who we here at Hedo 3 know very well. We are sad to see her go but we will always have memories of the lady that makes us purr.
